PHINNEY NEIGHBORHOOD ASSOCIATION

GLOCONE LIGHTING

At the Air Raid Tower near Red Mill on the corner of Phinney Ave N & N 67th

The Phinney Neighborhood Association would like to have members of our chorus lead the crowd in some holiday caroling at its annual GloCone Lighting on Saturday, November 28—the Saturday after Thanksgiving. The program is short—just 30 minutes long—starting at 5 pm.

After some welcoming comments and mention of our "family and friends" concert at 4 pm on Saturday, December 12, at the Woodland Park Presbyterian Church, we'll be invited to perform "Gloucestershire Wassail," then lead the sing-along of 6 or 7 carols—song sheets provided.

We'd like to have 4 to 6 each of sopranos, altos, tenors and basses participate. As of November 11, 1 soprano, 5 altos, 2 tenors and 4 basses have volunteered, so more volunteers are needed!

If you'd like to participate, email Mike V at mikeveets@gmail.com or text him at 206.930.8374.
